Mrs. Sue Simmons

Few students at Negreet High School fully appreciate the debt they owe to Sue Simmons, who has so unselfishly given of her time and ability to the school and its student body. Since teaching at Negreet for 3 years, she has built the girl's physical education program into one in which all students and parents can be proud. She has established a gymnastic and volleyball team, sponsored the cheerleaders, and yet found the time to assist in many activities promoting the physical education dept.

Mrs. Simmons is married to Jim Simmons and is a 1970 graduate of Northwestern State University where she received a B.S. in Physical Education. Before coming to Negreet, she taught in Southwood in Shreveport; Natchitoches Central High School, and Cyprus Fairbanks High in Houston, Texas.

We the staff of the 1978 Indian are proud to dedicate our yearbook to:

Mrs. Sue Simmons

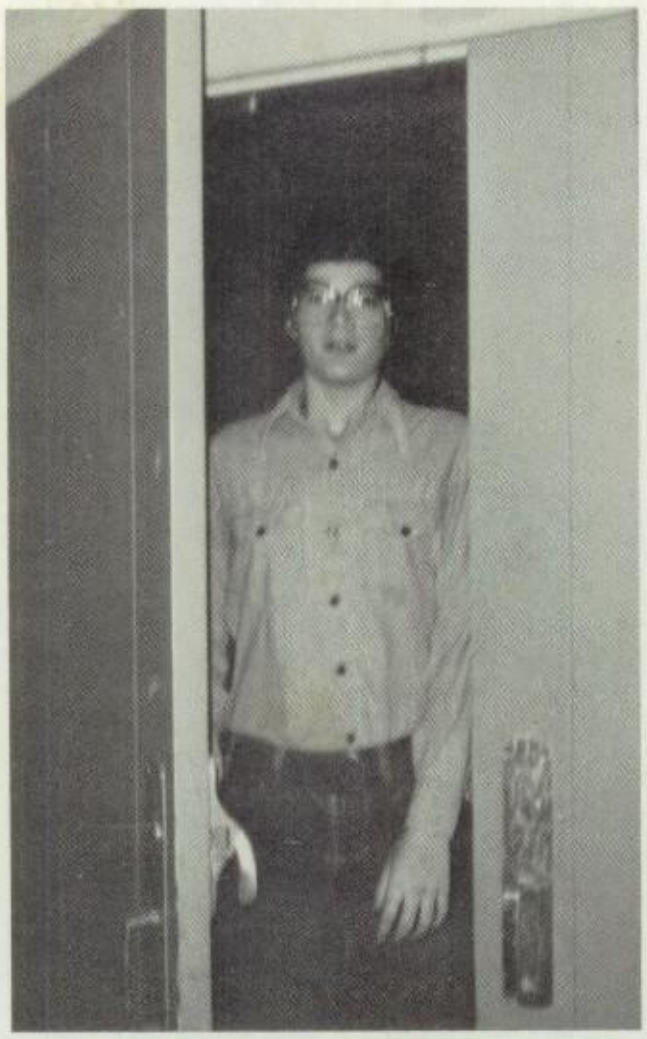
SEVEN FAVORITES

Miss N.H.S.



Miss Robbin Anderson has been chosen as Miss N.H.S. by receiving the high school majority vote. She is a member of the 1978 graduating class.

During her junior and senior years Robbin has been very active in the various clubs. As a Jr. she served as class treasurer, student govt. representative, and F.H.A. Parl. She was also chosen as Friendliest and Wittiest.

He not only serves as salutatorian of his class, but has also represented our school at the scholastic rally for two years. Another scholastic award received by Rick is the National History Award presented to the outstanding history student.

In addition to being selected as Mr. N.H.S., Rick has been chosen as F.H.A. Beau, Best Personality, Most Likely to Succeed, Class Favorite, and Student Govt. Senator.

CREED

I believe in myself. I believe in those who work with me. I believe in my teachers. I believe in my friends. I believe in my family. I believe that God will lend me everything I need to succeed if I do my best to earn it through faithful and honest service. I believe in prayer and I will never close my eyes to sleep without praying for guidance that I will be patient with other people and tolerant with those who do not believe as I do.

I believe that success is the result of intelligent effort and does not depend upon luck or sharp practices, or double-crossing friends, fellowmen, or my employer. I believe I will get out of life exactly what I put into it: therefore, I will be careful to conduct myself toward others as I would want them to act toward me. I will not slander those whom I do not like. I will not slight my work no matter what I may see others doing. I will render the best service of which I am capable because I have pledged myself to succeed in life and I know that success is always the result of conscientious and efficient effort. Finally, I will forgive those who offend me because I realize that I shall sometimes offend others and I will need their forgiveness.
